President's Message

September brings for many of us a time to reflect and renew.

The phrase “the glue that binds us” keeps popping into my mind about the many different ways that we connect and stay connected. There is the glue of the family, the glue of friendship and the glue of community. Each of these groups forms the glue by the effort of each participant.

Our Brandeis Chapter tries very hard to create an atmosphere of inclusion, education, charity and yes, fun! But we need everyone to participate if we are to continue successfully to keep us glued together.

Our common way of communication is through our Brandeis Bulletin but we would like to make it more easily accessible to all of our members.

We are considering putting out the Bulletin every 3 instead of 2 months and charging \$1 for those that want a hard copy. No changes will be made until our Board votes on these two possibilities.

I would like to hear of any objection that you might have.

Elena Stolzer

“Change is the law of life. And those who look only to the past or present are certain to miss the future.” John F. Kennedy
