**Guest Speaker  
ROBERTA KLEIN  
Founder of the "Read With Me Program"**

This special program, active since 2004, has grown to almost 300 volunteers and assists children from homes where access to the English language is limited. The goal is to help the children reach their fullest potential in reading, in comprehending, and in speaking English. At the same time the children are helped to understand that people really care for them as individuals.
