BNC MISSION STATEMENT

Brandeis National Committee is dedicated to providing philanthropic support to Brandeis University, a distinguished liberal arts and research university founded by the American Jewish community. Its membership is connected to the university through fundraising and through activities that reflect the values on which the university was founded: academic excellence, social justice, non-sectarianism, and service to the community.

Deis Flix
The movies selected for the His and Hers movie viewings and discussions are from Deis Flix, a lending library of DVD’s assembled by the Brandeis National Committee in collaboration with the National Center for Jewish Film (NCJF) on the Brandeis campus. The collection includes both the work of modern independent filmmakers and archival materials. Together they represent a visual record of the Jewish people in all of their vibrancy and diversity. NCJF is a nonprofit motion-picture archive, distributor and resource center, housing the largest collection of Jewish-theme film and video in the world outside of Israel. The mission of NCJF is to collect, preserve and exhibit films with artistic and educational value relevant to the Jewish experience.

Our General Meetings, held on the first Wednesday of each month from October through May, are a wonderful way to meet people and become more familiar with our chapter. Please come!

We also need volunteers to help the Board plan and run our study groups and fundraising events and to host our Living Room Learning events.

To volunteer, call our president or any member of the executive committee.
See pages 4-5 for contact information.
**FEBRUARY**

**Tuesday, February 6 – Ladies Who Lunch - $15 (BNC members only)**

And **March 9, April 10 and May 11.**

Current members must re-register for the spring sessions.

Willingness to volunteer to be “Hostess of the Month” is a prerequisite for joining this group.

Leader: Lee Liss

Ladies Who Lunch is a program organized by its members. Lunches take place once a month on a Tuesday or Friday that doesn’t conflict with other Gotham chapter events.

At the end of each lunch, the next date will be announced by the member who has volunteered to be hostess for the next month.

Lunch is at your own expense.

Seating will be randomly assigned by drawing a table number.

This is your chance to make new friends and get to know different neighborhoods in Manhattan.

Group members will be contacted by email/phone as to the date and location of each month’s restaurant. It is imperative that you rsvp.

For further details Lee at leeliss@icloud.com, 212-772-7556.

Send checks payable to BNC to Lee Liss, 425 East 79th Street, #3B, New York 10075.

**Wednesday, February 7 - General Meeting/Study Group – Sora Vernikoff –**

**How to lose weight without dieting**

10:30 a.m. General Meeting (Open to all BNC members)

1:00 p.m. Study Group (Open to Study Group Members only)

Sora Vernikoff will talk to us about her best-selling book *Eat What You Want! Stop When You Want! A No Diet Weight Loss Program.*

How is this possible? Sora was a successful inner-city school teacher and compulsive eater who one day said to herself ‘Why do these kids listen to me, but I won’t listen to myself?’ She developed a no diet, lose weight plan, lost weight, and kept it off.

Come and find out from this lively lady how she did it and how you or a friend might do that.

**Tuesday, February 13 – His & Hers: – Movie and Discussion: $20 (limited to 30 members)**

**The People vs. Fritz Bauer**

12:00 p.m. – Optional Dutch treat lunch, Barbaresco Restaurant, Lexington Avenue (between 64th and 65th).

1:30 p.m. – Movie – Barbizon Condominium, 140 East 63rd Street

*The People vs. Fritz Bauer* (**German**: *Der Staat gegen Fritz Bauer*) is a 2015 German **drama film** directed by **Lars Kraume**.

In Germany in 1957, Attorney General Fritz Bauer receives crucial evidence on the whereabouts of SS-Obersturmbannführer Adolf Eichmann. The lieutenant colonel, responsible for the mass deportation of the Jews, is allegedly hiding in Buenos Aires.

Bauer, himself Jewish, has been trying to take crimes from the Third Reich to court ever since his return from Danish exile.

It was screened in the Contemporary World Cinema section of the 2015 Toronto International Film Festival.

The film won the awards for Best Film, Best Director, Best Screenplay, and three more at **Deutscher ilmpreis** (“Lola”) 2016. Although not chosen, it was nominated as one of eight films to be the German submission for the Best Foreign Language Film at the 89th Academy Awards.

Send checks payable to BNC to Elinor Lubin 176 East 77 St #8K, New York 10075.

The Year of the Dog, also referred to as the Yang Earth Dog is predicted to be a year of social change. Although Chinese New Year is in February, it is often called “Spring Festival” so we will think happy, warm thoughts.

“A True Story of High Finance, Murder, and One Man’s Fight for Justice

“Part John Grisham-like thriller, part business and political memoir.”

*The New York Times*

*Red Notice* does for investing in Russia and the former Soviet Union what *Liar’s Poker* did for our understanding of Salomon Brothers, Wall Street, and the mortgage-backed securities business in the 1980s. Browder’s business saga meshes well with the story of corruption and murder in Vladimir Putin’s Russia, making *Red Notice* an early candidate for any list of the year’s best books* (Fortune).

This is a story about an accidental activist. Bill Browder started out his adult life as the Wall Street maverick whose instincts led him to Russia just after the breakup of the Soviet Union, where he made his fortune. Along the way he exposed corruption, and when he did, he barely escaped with his life. His Russian lawyer Sergei Magnitsky wasn’t so lucky: he ended up in jail, where he was tortured to death. That changed Browder forever. He saw the murderous heart of the Putin regime and has spent the last half decade on a campaign to expose it. Because of that, he became Putin’s number one enemy, especially after Browder succeeded in having a law passed in the United States—The Magnitsky Act—that punishes a list of Russians implicated in the lawyer’s murder. Putin famously retaliated with a law that bans Americans from adopting Russian orphans. A financial caper, a crime thriller, and a political crusade, *Red Notice* is the story of one man taking on overpowering odds to change the world, and also the story of how, without intending to, he found meaning in his life.

Thursday, April 19 – His & Hers: – Movie and Discussion:
  **Theodore Bikel: In the Shoes of Sholom Aleichem** $20 (Limited to 30 members.)
12:00 p.m. – Optional Dutch treat lunch, Barbaresco Restaurant, Lexington Avenue between 64th and 65th
1:30 p.m. – Movie – Barbizon Condominium, 140 East 63rd Street
The stories of two beloved Jewish icons are woven together in this enchanting documentary: Sholom Aleichem, the great Jewish storyteller and Theodore Bikel- troubadour, actor and the most popular interpreter of Aleichem’s work. Based on Bikel’s acclaimed stage play “Sholom Aleichem: Laughter Through Tears.” The two men have much in common-- wisdom, Theodore Bikel, the unstoppable performer whose career spanned more than 150 screen roles (including an Oscar-nominated turn in The Defiant Ones) and countless stage and musical productions, was also the foremost interpreter of Sholom Aleichem's work. Bikel, who passed away in 2015, played Tevye the Milkman on stage more than 2,000 times. Bikel animated Aleichem's work through his creation of two celebrated musical plays about the great Russian author.
A pioneer of modern Jewish literature who championed and luxuriated in the Yiddish language, Sholom Aleichem created dozens of indelible characters. His Tevye the Milkman, Motl the Cantor's Son, and Menachem Mendel--“shtetl Jews” for whom humor and pathos were two sides of the same Yiddish coin-- remain invaluable windows into pre-war Eastern European Jewish life, real and imagined.

Our tour begins at 10:30 promptly. Tesla was a fascinating and enigmatic figure who attributed his inspirations to his visions”.
He's been called the greatest geek who ever lived, but was also a good-looking "ladies man".
A rival of Thomas Edison and George Westinghouse, he unfortunately did not achieve their business success during his life. Tesla's contributions to science went underappreciated for years; his work is now finally being recognized.

Dear BNC Members,

My name is Jacob Abrams and I would like to give you my utmost thanks and appreciation for the financial support that this scholarship provides me with. I am well aware of all the work that our BNC members have done for Brandeis students over the past six decades, and I can honestly say that you have made a lasting impact not just on myself, but on every student who attends this institution.

I would like to tell you a little about what I do here at Brandeis. I am a double major in Biology and Classical Studies, with a minor in Italian Studies, and I am pre-med. I am the Director of the Student Ambassador Organization and a student member the Brandeis National Executive Committee, and I have been involved in BNC since I came to Brandeis as a first-year. I am a Eunice M. Lebowitz - Cohen intern for our Department of Classical Studies’ Artifact Research Collection, which means I am one of four undergraduate interns who curate our department’s collection of over 800 ancient artifacts. I am the Junior Representative to the Alumni Association Board of Directors, a member of the Brandeis Beacons Society, and I race for Brandeis on the Ski and Snowboard Team during the winter.

Okay, maybe I do more than just a little bit here. But this is one of the most amazing aspects about this university – undergraduate students like me actually have multiple opportunities to be incredibly involved. These opportunities would not be possible without the generous support of people like you who have a vested interest in seeing the next generation succeed. Brandeis is a place where I can develop skills for success in life, and this Scholarship makes it that much easier for me to get ahead.

On behalf of Brandeis and BNC, thank you for all that you have done and will continue to do for our institution. I hope to have the chance to meet more of our BNC members very soon.

Sincerely,

Jacob Abrams ’17 MB 3128, Brandeis University 415 South Street Waltham, MA 02453
