BNC MISSION STATEMENT

Brandeis National Committee is dedicated to providing philanthropic support to Brandeis University, a distinguished liberal arts and research university founded by the American Jewish community. Its membership is connected to the university through fundraising and through activities that reflect the values on which the university was founded: academic excellence, social justice, non-sectarianism, and service to the community.

MESSAGE FROM THE PRESIDENT

Dear Brandeis members,

As the Fall/Winter season approaches, we welcome our members to another year of fun and exciting events that stimulate the mind and offer a chance to meet new friends.

We continue to work hard to provide exciting speakers, tours and discussion groups that will appeal to all tastes. We welcome our many new members and want them to join our network of vibrant men and women.

We are excited to announce our new BNC campaign, Magnify the Mind, which officially launched on July 1, 2018. We hope to designate our fundraising events and activities for this exciting campaign.

The new campaign will further the advancement of neuroscience research through the purchase of a two-photon microscope. This new microscope will enable Brandeis researchers to observe brain activity in real time, allowing our scientists to make new discoveries toward the treatment of brain disorders such as Alzheimer’s, Parkinson’s, ALS, and autism.

Let’s make this another great year for our Gotham chapter.

Lee Liss
President

BRUNCH

Wednesday, September 5
10:45 a.m. – The Harmonie Club – 4 East 60th Street. $25 per member – Free for prospective members

Come to our opening Membership Brunch! Invite someone who may be interested in joining the Gotham chapter; this will be a perfect introduction to our programs. If your guest joins BNC by October 1st, 2018, you will be entitled to a FREE full year (8 sessions) of Study groups.

Chat with your Brandeis friends while eating delicious food and hearing about the amazing Brandeis National Committee’s history and the exciting events and study groups planned for the fall. We promise you fun and excitement.

Our speaker this year is Sabeeka Rehman, author

Threading My Prayer Rug: One Woman’s Journey from Pakistani Muslim to American Muslim

Sabeeka Rehman tells a moving story of integration into the American melting pot—a luminous story of many journeys: from Pakistan to the United States in an arranged marriage that becomes a love match lasting forty years; from secular Muslim in an Islamic society to devout Muslim in a society ignorant of Islam; from an immigrant intending to stay two years to an American citizen, business executive, grandmother and tireless advocate for interfaith understanding.

“This is a warm, wise and wonderful book. Ms. Rehman writes in a style that is understanding of human foibles, yet gently pushes readers to become more engaged human beings. As an Orthodox rabbi working to strengthen cooperation between Jews and Muslims, I was moved by her involvement in Muslim-Jewish coalition-building efforts.”

Rabbi Marc Schneier, president of the Foundation for Ethnic Understanding.

Make your reservation now by sending your $25 check, payable to BNC, to Pat Glickman, 301 East 48th Street, #15F, New York 10017.

11:30 a.m. - Meet at Il Violino, Columbus Ave at 68th Street.
   The owners have planned a nice lunch for us.
1:00 p.m. We will proceed to Lincoln Center. Almost 5 million lovers of art, opera, ballet, theatre, and music make their way to more than 5,000 performances every year at Lincoln Center. Many have no idea what treasures surround them. Philanthropists like the Rockefellers, architects like Philip Johnson, great art dealers like Leo Castelli, Klaus Perls, and Sidney Janis, all fearless proponents of modernism, contributed to what we all know as Lincoln Center. This walking tour is an opportunity to look, savor and learn more about the architecture and the art that we see each time we walk by. For more information, contact Francoise at 212-787-0811 or francoise@marcus@gmail.com (day of tour only, 646-352-1210).
Send checks payable to BNC to Phyllis Gates, 101 West 81st Street - Apt. 208, New York 10024.

And Monday, December 3 (Open to Study Group members only)

The $25 fee covers all four sessions in September, December, March and May.

The book we have chosen for our first session is Behold the Dreamers by Imbolo Mbue, a debut novel of a young family emigrating to the United States from Cameroon, whose lives, and those around them, are impacted by the 2008 recession.

Contact Sharli Lessing at (212) 410-0054 if you would like more information.

This is your chance to make new friends and get to know different neighborhoods in Manhattan.

A THANK YOU FROM A BNC SCHOLARSHIP RECIPIENT

Dear BNC Member,

Although it is nearly impossible to fully express the tremendous amount of gratitude that I feel towards you, I will do my very best. I am eternally grateful for you and for your generosity. Thank you for being such an instrumental component in allowing me to live my life to its fullest potential. Because of you, I am growing at an exponential level and becoming a well-rounded, educated, and passionate individual. Attending Brandeis University has been one of the greatest blessings in my life - one that has already influenced me on so many levels and will undoubtedly continue to do so for the rest of my life.

I absolutely love Brandeis. Every day, I feel more and more grateful that I have this extraordinary opportunity. Even though I have been here for a few months, it still feels surreal. I often have to pinch myself to remind me that this is, in fact, my life. The life I have been dreaming of for years.

To be able to personally thank those who have made this dream a reality is truly a blessing. I want you to know that your generosity is deeply, deeply appreciated from every part of my being. You have given me the gift of education and I promise you that I will use that knowledge to impact the world. Please know that not a day goes by that I don't remember how blessed I am to have this opportunity, and how your generosity has graciously allowed me to be here.

I look forward to, one day, being able to give back and help a student obtain the same opportunity. I certainly know how it feels to be on the receiving end, and I look forward to being able to give back as well!

My deepest appreciation, Rebecca Wiser '19

*Rosenwald* tells the incredible story of Julius Rosenwald, the son of an immigrant peddler
who never finished high school, who rose to become the President of Sears. Influenced
by the writings of the educator Booker T. Washington, this Jewish philanthropist joined
forces with African American communities during the Jim Crow South to build 5,300
schools, providing 660,000 black children with access to education in the segregated
American South. Inspired by the Jewish ideals of *tzedakah* (charity) and *tikkun
olam* (repairing the world) and a deep concern for racial equality in America, Julius Rosenwald used his
wealth to become one of America’s most effective philanthropists.
Addressing needs brought about by the Great Migration, Rosenwald also funded the building of housing and
YMCA’s for African Americans. Recipients of his seminal Rosenwald Fund for African American artists and
intellectuals include Marlan Anderson, James Baldwin, Ralph Bunche, W.E.B. DuBois, Katherine Dunham,

the Old and New Testaments.
Spectacular stained-glass windows and mosaic floor tiles are seen throughout the interior.
