There’s a Study Group for you!

Study Guide
Part One
September-December 2022
Sign up promptly for any programs that you would like to attend. We understand that life happens -- unexpected doctor's appointments, babysitting requests, waiting for household repairs, etc. In the past, we could be more flexible and always offer the options of paying in advance or at the door for in-person programs. Currently, however, if we do not reach the minimum number of attendees required for a program, our contracts with venues and some speakers obligate us to cancel those programs at least two weeks before the event date to receive a full refund of our rental and/or speaker fees. Of course, if we meet our minimum, you would still be able to pay at the door or sign up for a Zoom right before a program, but you would need to check with the Registrar to make sure the program is still being offered. Thank you for registering early!

Due to the continued uncertainty caused by Covid, all our in-person speakers can be changed to Zoom if the conditions require it. Watch the Blast for updates!

Celebrate Veteran's Day by hearing Bernie Lubran tell the amazing story of his late father, Walter Lubran, who was forced to leave his family in Germany in 1938 to escape the Nazis and ultimately became one of the famed Richie Boys. The Ritchie Boys were a group of more than 2,400 Jewish refugees from Germany, Austria, and other European countries who fled Nazism, found a home in the United States, and then were brought to Camp Ritchie in Maryland to be trained in intelligence skills. The Ritchie boys interrogated prisoners on the front lines and conducted counterintelligence operations in Europe. They were also involved in the Nuremberg trials as prosecutors and translators. The history of Camp Ritchie was kept classified from the public for over 50 years after the end of World War II. Soldiers trained at Camp Richie were sworn to secrecy, and Bernie did not learn much about his father's training until after his father died in 2000. Bernie has spent the last 18 years studying the history of Camp Richie and the Richie Boys.
