COMMUNITY SERVICE PROJECT – BNC is supporting the Kosher Food Pantry of the Jewish Family Services of Greater Hartford. JFS provides non-perishable Kosher food products throughout the year to recipients, including breakfast foods for children during the summer months. Also needed are paper goods, such as toilet paper and paper towels. We ask our 2018 Fall Luncheon attendees to bring a bag or two of these items to the Luncheon.

All items must be in carrying bags.
Greetings from the President...

Who doesn’t know someone who has been affected by a neurological disease or brain related illness? Who doesn’t wish there were more that could have been done? Who doesn’t wish there were a way to truly make a difference? And now...

Brandeis University is going to make that happen! As of July 1, 2018, "Magnify the Mind" is a brand-new Brandeis campaign launched to raise $500,000 to purchase a two-photon microscope that will enable Brandeis researchers to observe the brain in real time, allowing scientists to make new discoveries toward the treatment of brain disorders such as Alzheimer’s, Parkinson’s, ALS, and autism. Proceeds from our Fall Luncheon, registration fees from all our activities, study groups, and special events such as an evening with Dr. Leon Chamesides, "A Closer Look at Miracles," will support this important endeavor. Each time you participate in a Brandeis event, you will be doing your part! Join the fun... and make an important difference in medicine this year.

...Judy Silver, President

Fall Luncheon Guest Speaker Nancy Lublin

"Keep your eyes on that young woman...she’s going places!"
And she did!

Nancy Lublin has been on the move forward with academic and social passion since her early years at Kingswood Oxford in West Hartford, as a graduate of Brown University, as a Marshall Scholar at Oxford University, as a graduate of New York University Law School, and with an honorary doctorate degree from The New School. With a vision and $5,000 in 1997 at the age of 25 she founded the first Dress For Success, a program that provides professional attire and skills for low-income women, to help support their job-search and interview process. Today there are Dress for Success Programs in 145 cities, in 20 countries around the world, and is credited with having helped, as of last year, some 925,000 women. Nancy left her company in good hands to move on to her position as CEO of “Do Something,” a program that led the effort to begin awarding more grant money to younger candidates seeking social change, using online marketing and social campaigns. In 2013 she resigned from that position to become CEO of Crisis Text Line, the first 24/7 free crisis texting hotline for teens that grew out of her TED talk.

Having published three books and several papers and having received numerous awards, including Fortune’s “World’s 50 Greatest Leaders,” Marie Claire’s “20 Women Changing the World,” Glamour Magazine’s Women of Worth, and the NYC Women’s Commission Woman of the Year when she was only 28 years old, Nancy Lublin continues to be a woman worth watching.

Nancy resides in New York City with her husband, Jason Diaz, and her children, Sydney and Houston.
