Dear Members,

Happy New Year! We hope you all are having a good start to 2013. BNC-Phoenix has a great array of activities planned for this coming year. We look forward to your participation and hope to see you at an upcoming event.

Thank you, Carol Kern, for opening your beautiful home to a most successful Past Presidents’ event on December 14th. The delicious brunch was provided by Iris Wigal and Carol Kern. We are very fortunate to have so many engaged and active Past Presidents among our membership. This day celebrated what each and every one of our Phoenix Chapter Past Presidents has done and continues to do to make BNC-Phoenix the award-winning chapter we are. While enjoying the camaraderie, the attendees shared highlights of their terms and visions of our future.

Our sincere appreciation to the Membership Retention team made up of Bruce Galin, Joyce Gordon, Gail Tenn, and Kathleen Witkin. During our fall retention period, they successfully reached and made a personalized connection with many members. We value all of our members. Thank you all for paying your 2012-13 dues.

On December 10, we honored our new members at the BNC Symphonic Insights Music Study Group. Members - new and old - and guests all raved about the incredible performance and enjoyed engaging in conversation with Viviana Cumplido Wilson, Principal Flute of the Phoenix Symphony. A lovely dessert buffet was hosted by the Executive Committee in honor of our new members. Thank you to Carol Kern and Sue Karp for shopping and setting the table with the committee from the study group and Joan Silver, Facilitator of the group. Kathleen Witkin and Joyce Gordon, VPs of Membership and their committee thank you for all your efforts in recruiting new members to the BNC Phoenix Chapter family.

Other good news to note is the many new members who have joined the Sun Lakes group. Congratulations to Sun Lakes.

Focusing on January, we look forward to a terrific event on Saturday night, January 12th. Chaired by Nancy Sacks and Gladys Simon, the men and women of Brandeis will be entertained and enlightened by a ’Deis Flicks film “Shalom Y’All,” provided by the National Center for Jewish Film at Brandeis University. The evening will be highlighted by appetizers and desserts provided by our generous members under the coordination of Carol Abrams. What a night it promises to be!

Monies raised by the ’Deis Flicks event are going to our Sustaining the Mind Campaign. We are committed to raising $3,000,000 over the three years of this campaign. Every little bit helps and we do hope that every member will make their own personal donation. Large donations will be listed in designated ways. Carol Kern is heading this fundraising effort. She will be happy to give you more details on how to make your gift.

We are most pleased to announce our chapter’s new Social Justice Project. We will be collecting new children's books, which we will then donate to one or more needy schools in the area. We are appreciative of Dorry Sunenshine, who has agreed to chair this project. Anyone interested in working with Dorry should contact her or us.

The Book and Author Event to be held on March 4th is in need of volunteers to serve on committees. Anyone who can assist is asked to call Carol Kern. In addition, Carole Natelson, Betsy Kurasch, and Harriet Kaplan are co-chairing the silent auction and item acquisition. If you have some time and/or ideas for this committee, please call either Betsy or Harriet.

We again thank everyone for their participation in helping to make this year a success. We are all volunteers and everyone is very much appreciated for the work, time and effort put forth. Thank you all!

Your co-Presidents
Lori Roth and Marcy Strauss

Your Big Chance To Make An Impact

Rarely are we given an opportunity to make a change for the better of the world! The Sustaining of the Mind: Scientific Research and Scholarships fundraising effort for the Brandeis National Committee is your opportunity to make an impact in research for debilitating diseases such as: Lou Gehrig's, Parkinson's, Alzheimer's, and Autism. Brandeis University researchers in over 50 laboratories are already making significant strides in the field of brain-related diseases. We invite you to become a Bookmark to ensure that Brandeis researchers and students are able to excel in their fields of study and make important advancements in neuroscience.

In our lifetime one quarter of the world will be more than sixty-five years of age. Many will be afflicted with conditions that may affect us as we age. You can help Brandeis researchers in the classroom and the laboratory race to conquer these diseases by supporting Sustaining the Mind and becoming a Bookmark. Join us for a wonderful evening under the stars as we celebrate our determination to do what we can to support the ongoing research at Brandeis University. Meet the celebrated authors who will speak at the Book and Author event. Enjoy cocktails and conversation. Set aside Sunday evening March 3, 2013. It will be a win/win evening!

Brandeis National Committee invites the public for an afternoon of music and conversation with ASU Violinist Boyang Wang. He and pianist Zhou Jiang will perform works by Beethoven, Ysaye and Japanese-American composer Bright Sheng. He will also speak about his musical journey on a path that began at his fifth birthday party. Following an ancient practice, his parents placed five objects representing different careers on a table and told him to choose one. Without hesitation he skipped over the pen, car, cookie and paintbrush to select a toy violin. His parents immediately bought a quarter size violin and found a teacher.

Raised in a hutong, a small village within the city of Beijing, Boyang soon found himself playing concerts in great halls throughout Beijing. He won the Silver and Gold awards at the Chinese National Violin Competition in 2005 and 2007 respectively. In 2004 he performed for Henry Kissinger on one of his visits to China. He has said that after he won the Silver award while he was in middle school, he realized that "music is part of my body, my soul, it is my everyday life." He says that music "can make me feel warm, deep, happiness."

Winning a Special Talent Scholarship at ASU brought him to the US to study with Professor Dan Wen Jiang, where he is pursuing a Bachelor of Music degree in Violin Performance.

January 21, 2013 — JCC 12:30 - 2:00 pm

The January speaker is Marty Brounstein. He is the author of the book *Two Among the Righteous Few: A Story of Courage in the Holocaust*. It’s a true story of interfaith courage and compassion, focusing on a Christian couple in the Netherlands who, despite great risks and dangers, helped save the lives of over two dozen Jews during the Holocaust. The story also has a meaningful personal connection to Marty, which he explains in his talk.

Michael Rosbash, PhD receives 2012 Gairdner Prize

Dr. Michael Rosbash, the Peter and Patricia Gruber Professor of Neuroscience at Brandeis University, Director of the Brandeis’ National Center for Behavioral Genomics, and Ellison Medical Foundation Senior Scholar in Aging in 2010, is one of seven recipients of the prestigious 2012 Canada Gairdner Awards. Dr. Rosbash, together with Jeffrey Hall of Brandeis University and Michael Young of Rockefeller University, were honored with the Canada Gairdner International Award for their groundbreaking work to reveal the molecular mechanisms that regulate circadian rhythms. In work supported by the Ellison Medical Foundation, Rosbash is exploring the relationship between aging and changes in sleep patterns and circadian rhythms using the fruit fly Drosophila melanogaster. The awards, which are presented annually, recognize scientists responsible for some of the world’s most significant medical discoveries.

University President Frederick Lawrence visited Israel

University President Frederick Lawrence visited Israel to take part in an alumni event hosted by U.S. Ambassador to Israel Daniel Shapiro ’91 and his wife Julie Fisher ’90. The event coincidentally occurred on the same day that Israel and Hamas agreed to a ceasefire, ending a recent spell of violence that resulted in hundreds of fatalities. According to a BrandeisNOW press release, the event "turned into a joyous celebration of the peace," for the more than 200 alumni, parents and friends of the University who had convened at the ambassador's home. When his turn came to speak, Lawrence talked about the deep connection between Brandeis and Israel, which were both founded in 1948.
