President’s Message

Dear Members:

I can't believe that it’s time to plan for The Eve Party! As most of you know, The Eve Party has been a tradition for our chapter for many years. So...if you find yourself without anything to do on Christmas Eve, please join us. it’s always a hit!

Coming in January is University on Wheels, in which Brandeis University sends us one of their most popular professors. This year we are hosting University on Wheels by ourselves not with another Brandeis chapter. We will be having lunch at a local restaurant & hear the visiting BNC professor speak. Since it’s in Rancho Bernardo, & very close to home, & low cost, please come & support this program.

Wishing You All The Best,

Linda

Kitty Bruce: How to share your father’s work and influence scholars
Lenny Bruce’s papers will be available to the public, as Brandeis hosts a two-day conference about his significance.

Kitty Bruce was just 11 when her famous father – comedian, satirist and cultural critic Lenny Bruce – died of a drug overdose at age 40 in 1966. While many popular comedians who preceded him stuck with bland fare designed not to offend, Bruce was a leader in a new vanguard of comedians who pushed the envelope with sometimes-profane routines that skewered the hypocritical elements of society. He was repeatedly arrested for obscenity and was convicted in New York City; his death came shortly before his appeal was set to begin.

For years, Kitty Bruce protected her father’s papers, photographs and other materials in her own home. Two years ago, a generous gift from the Hugh M. Hefner Foundation made it possible for Brandeis to acquire and preserve the papers. On Oct. 27 and 28, Brandeis will open the collection with the symposium “Comedy and the Constitution: The Legacy of Lenny Bruce,” which will feature a conversation with Kitty Bruce.
