We are thrilled to RE-WELCOME Zoo Miami’s Ron Magill back to the Brandeis Fall Showcase. A Brandeis favorite, Ron will share with us his stories and photos from his most recent adventure to Africa, the continent known for its breathtaking scenery and fascinating wildlife. Ron will take us on his personal journey as we learn and see the continent through his eyes as both wildlife expert and photographer.

Ron Magill has worked in wildlife for over 30 years and has “hands-on” experience with a tremendous variety of animals. As Zoo Miami’s “Good Will Ambassador” he has made frequent television appearances on the “Today Show” and “Good Morning America” and has appeared on several documentaries for the “Discovery Channel” and the “History Channel”.

Please mark your calendars and join us for an adventure filled morning with Ron Magill.

READ THE INSTRUCTIONS CAREFULLY AS THEY HAVE CHANGED SINCE THE FALL BULLETIN.
As you look at the front cover of this wonderful Spring Bulletin, you may be thinking “I’ve seen this before.” You are right! With the advent of Hurricane Irma, the scheduled Fall Showcase had to be cancelled. However, “the show must go on” and we are delighted that Ron Magill will still be our presenter at our Spring Showcase Luncheon. Our kudos to the BNC Board, who moved forward at rapid speed after the storm and were able to provide us with outstanding Learning Opportunities and other fall events.

We are also very excited about BNC South Miami-Dade’s 40th year anniversary. The founding members led by Marlene Kohn, president, began our chapter in 1978. Through the years, we have grown to a membership nearing 400, but these remarkable women established a framework for our chapter that is still the essence of our organization. Celebrate with us and enjoy the fantastic Learning Opportunities and activities ahead in 2018.

ROSENWALD: The remarkable story of a Jewish Partnership with African-American Communities

Rosenwald is the incredible story of Julius Rosenwald, who never finished high school, but rose to become the President of Sears. This Jewish philanthropist joined forces with African American communities in the Jim Crow South to build 5,300 schools during the early part of the 20th century.

Inspired by the Jewish ideals of tzedakah and tikkun olam, Julius Rosenwald used his wealth to become one of America’s most effective philanthropists. Because of his modesty, his philanthropy and social activism are not well known today. He gave away $62 million in his lifetime.
