MISSION STATEMENT

Brandeis National Committee is dedicated to providing philanthropic support to Brandeis University, a distinguished liberal arts and research university founded by the American Jewish community. Its membership is connected to the university through fundraising and through activities that reflect the values on which the university was founded: academic excellence, social justice, non-sectarianism and service to the community.
I know that all of our members are not back in The Sunshine State, I want to welcome those who are... as well as welcoming those who will be returning before the end of the year. Nan and I are excited about all of the Study Groups that have been arranged for all of you. I know you'll find MANY groups you will want to attend so have your calendar books ready. The Study Group Guide will be out soon! I am pleased to join with Nan as Co-President of our "newly named chapter". Please volunteer to help us in whatever you can because EACH OF YOU can contribute to the success of the TRAILS OF DELRAY BEACH CHAPTER. I look forward to meeting those of you I don't already know and. Working with "you-all".

Sally Hyman

On behalf of Sally Hyman and myself, Nan Schwartz, we are so excited to be leading Trails of Delray Beach into the 2015-2016 season. Sally and I begin our presidency with new and exciting programming for the upcoming season and of course the wonderful addition of a web site linked to BNC. The web site will be filled with great information that you can access at any time. Our full Study Guide will be available under Study Groups by the end of August. You will be able to check the calendar for Special Events and Updates. In addition you will be getting eblasts reminding you of our exciting programming. Looking forward to seeing those of you who will be in Florida for the “We Are One” party on October 29th, at the South County Civic Center. Below is a picture from our recent trip to Brandeis University for a Leadership Conference. From left to right, Janet Streit, Nan Schwartz, Lois Feldman and Elaine Bloom met in Newton, MA. for three wonderful days of meetings, tour of the campus and the best was getting to know leaders from other chapters from California to New York and brainstorming ways to better our chapters. Email me at nantoby157@gmail.com to add your email address to our membership list, or ask questions pertaining to your membership in Trails of Delray Beach. Continue to have a great summer and see you in the fall.

Nan Schwartz

Please "Smile At The Camera!" If you want to see yourself at our functions, send me, your email address at Janfrsgt@comcast.net and I will “Share” with you.

Janet Streit
