WHAT ARE TRIBUTE CARDS
They are a personal expression of caring. Each card represents a donation to Brandeis while not mentioning the amount given and we send them to commemorate a happiness, sadness or just friendship. They come in various denominations expressed on beautifully crafted greeting cards. We also have special cards where the sentiment expressed as you wish in a small leather folder usually reserved for big birthdays and anniversaries with the designation noted on the front as a Learned Research Journal or Learned Research Journal Folio where a bookplate is placed in a book in the Brandeis Library.

Please call Laura Edelstein for details and prices 561-637-1676 (summer 516-295-3641) or Eileen Charyn 561-865-8396 (after march 1) (summer 516-538-7490).
