PHOTOGRAPHER’S CORNER

I have the last eight years of Brandeis photos taken on DVD disks. They range from 2007 to 2018. The disks can play on most DVD players connected to a TV and/or in a computer.

What year would you like to see? Call me 561-495-7199.

My camera is ready and, most likely, will be pointed your way.

BNC, Magnify the Mind Campaign:

Advancing Neuroscience Research.

Thank you to all who contributed to our campaign. To date we have exceeded our goal and raised over $700,000. A dedicated facility will be built on the Brandeis campus for the express use of the microscope. More money is needed for this project so we will continue this campaign.

WHAT ARE TRIBUTE CARDS

They are a personal expression of caring. Each card represents a donation to Brandeis while not mentioning the amount given and we send them to commemorate a happiness, sadness or just friendship. They come in various denominations expressed on beautifully crafted greeting cards. We also have special cards where the sentiment expressed as you wish in a small leather folder usually reserved for big birthdays and anniversaries with the designation noted on the front as a Learned Research Journal or Learned Research Journal Folio where a bookplate is placed in a book in the Brandeis Library.

Please call Laura Edelstein for details and prices 561-637-1676 (summer 516-295-3641) or Eileen Charyn 561-865-8396 (summer 516-538-7490).
Presidents Message:

Well, we have come to the end of another exciting year. Together, we have learned new things, enjoyed new programs and, of course, shared meals. Throughout the summer, there will still be the book discussions, cinema critiques and current events. We hope those who remain in the area will still attend and enjoy. My two-year term as president has come to an end. I want to thank all of you for being part of this fabulous experience for me. I especially want to thank my board for all they have done to help me lead this chapter. Each and every one of you was absolutely, incredibly helpful and devoted to the Trails of Delray Chapter as well as to the principles and objectives of Brandeis. It is time for me to move on, but the new president, Carol Klausner, will do a wonderful job leading this chapter. She is committed to her new position. I know you are with me in wishing her much success. To everyone, have a safe and terrific summer. We hope to see you back in the fall.
With many thanks, Ellen

From the Outgoing

Greetings,
In my capacity as the new president of the Trails of Delray Beach Chapter of National Brandeis Committee I write this brief message to you. Thank you. For what, you ask. For allowing me the honor of leading our chapter to a successful year of learning, fun, meeting, eating(!), and making new acquaintances that will soon become new friends. Thank you for your confidence in me, and for allowing me to work with a wonderful board.

Have a great summer, and register for our summer courses.

Carol
