Dear Friends,

It’s hard to believe that our summer season is drawing to a close. Now, we look forward to good health and many refreshing events in the coming season. One thing is for sure, we’ve learned new ways of gathering together. Zoom, and virtual learning are now part of our daily vocabularies.

Our fall programs will be offered free of charge, as a special “thank you” to our dues paying members. If you haven’t paid yet, please do. We have all learned to be virtual learners and viewers. As we have become more proficient at using zoom, we now realize that you and our speakers can be anywhere in the world, and still come together for learning and discussion. We have new members who have joined even though they live far from Florida. They discovered through friends, how our learning opportunities and discussions are pleasant and quality filled.

Before Covid-19 our Study Group Committee had planned a full array of programs. Then, came the pandemic and social distancing. We needed to make big changes. Group gatherings were over. What a devastating feeling! We formed a sub committee to delve into zoom programming. We needed to learn new techniques. Many of us attended a beginner’s lesson in Zoom. Speakers and programs that followed were most enjoyable and all programming was well attended. These programs have continued into September and were offered no cost.

We are filled with excellent speakers and learning opportunities for the season. Our Learning Opportunities Booklet will follow in an online format. If you haven’t yet paid your dues, you will be missing great opportunities. Brandeis University needs our help more than ever! Remember, because of zoom, you can also attend both regional and national programming!

Mitzvah Days!

Mitzvah Days will be October 18th through October 27th

IF

YOU HAVEN’T OFFERED YOUR HELP YET,
Please let your home become a “Mitzvah House,” for a few hours on specified days.

OR

Act as the coordinator for your development

An email would go out to members in your development asking for non-perishable food items, and needed toiletries. Drop offs will be day, time, and place specific.

You or another driver volunteer would then take the collected items to Nancy Braksmayer’s home (day and time specific).

ITEMS WILL BE DONATED TO THE DOMESTIC VIOLENCE SHELTER AND THE JEWISH FOOD PANTRY.

If you live in an area with just a few Wellworth Members, volunteer to drive and help get items to Nancy’s home.

Dear Friends,

Did you know that the first library at Brandeis had its beginnings in a converted stable! Today, it is quite a sophisticated complex. In order to keep pace with today’s world, and the exponential explosion of information, everything in the library is being digitized. This has become even more important in this pandemic year. Our major fund raising campaign for this year is BNC Honoring Our History.

Your dues were extremely important to us during this COVID year, and go straight to the University. We, as a “thank you,” have not charged anything for all the special learning opportunities held in October and November. Our zoom meetings will have members and speakers from all over the United States, and as far away as Israel. If you enjoyed the summer, and now are enjoy our fall gatherings, please consider giving something.

Since we are a Philanthropic Organization and the University truly needs our ongoing help, please consider making a gift to one of the following designations:

- BNC Honoring Our History Campaign
- BNC Library Fund
- BNC Learned Research Journals
- BNC Endowed Medical Science Journal Fund
- BNC Library Collection in Judaica
- BNC Special/Major Book Collection
- BNC Sustaining the Mind Endowment Fund
- BNC Scholarship Campaign Fund
- Other ________________________________

Please send your check to Susan Shapiro, telling her your designation. (BNC Wellworth-Sustaining the Mind, Honoring History (etc.)

Thank you in advance,
