PRESIDENT’S GREETING

The mission of BNC is to provide philanthropic support for Brandeis University. One way we do this is by designating proceeds from many of our events to support the Sustaining the Mind Campaign.

Brandeis University researchers in over 50 laboratories are pioneering in the field of brain-related disorders, including Alzheimer’s, ALS and Parkinson’s diseases. Scientists in the areas of neurodevelopment, neurodevelopment disorders and neurodegeneration are trying to understand the fundamental biological processes underlying brain function.

This campaign helps fund some of that research which has been recognized by a Nobel Prize, the Kavli Prize in Neuroscience, and a MacArthur “Genius” Grant -- not bad for a mid-sized university!

Our support for last year’s Magnify the Mind Campaign helped the University purchase a powerful two-photon microscope that images intact brain circuitry in the living brain.

With the new campaign for the Library, HONORING OUR HISTORY, Transforming Unique Collections Highlighting Social Justice, we are going back to our roots. The organization began by putting the first books on the shelves of the fledgling university, and we have always honored this commitment. Our non-designated funds also support the Library.

That said, I feel that Wycliffe BNC greatly benefits our community.

I think of our organization as being a “Wycliffe Community School”. This year we offer 40 study groups, including several excursions. Some study groups have several sessions.

The Book and Author Luncheon and the annual program at the Delray Beach Playhouse, the tickets to the extraordinary Miami City Ballet and the Spanish River Concerts, are among the larger events that we bring to both members and nonmembers.

I, along with my co-Presidents, look forward to seeing you at our events this season.

Joan Tepper, co-President

MISSION STATEMENT

Brandeis National Committee provides philanthropic support to Brandeis University, a distinguished liberal arts and research university founded by the American Jewish Community.

Its membership is connected to the university through fundraising activities that reflect the values on which the university was founded: academic excellence, social justice, non-sectarianism, and service to the community.

When the smash hit “Funny Girl” opened, it turned Barbra Streisand into a star overnight. Ray Stark, a film producer, wrote a play about his mother-in-law, the legendary vaudeville star Fanny Brice and then recruited a creative team to produce the show on Broadway. Jule Styne wrote the music and Bob Merrill the lyrics, creating a timeless score with songs like “Don’t Rain on My Parade”, “I’m the Greatest Star”, “You Are Woman (I Am Man)”, “The Music That Makes Me Dance”, and the standout hit of the show, “People”.

Ticket Price is $40.00 payable to BNC and mailed to:
Pat Van Gorp 10704 Fairmont Village Drive Wellington, FL 33449

Those wishing to sit together should enclose all checks in one envelope with their request

All Seating is at the Discretion of the Committee

Florida Region - 2019 Symposium

ANTISEMITISM & ANTI -TERRORISM UPDATE

South County Civic Center
16700 Jog Rd. Delray Beach.
Fee: $35.00
Non-Members/Guests: $40.00
10:00 AM - 2:30 PM
(Continental Breakfast & Lunch included)

Several years ago, the region presented a symposium on Antisemitism and Anti-terrorism. This symposium happened before the terror attacks at Ft. Lauderdale Airport & Parkland High School.

What has been learned since then?
How do we stem the tide of growing Antisemitism and intolerance?

Join us at this symposium as speakers from the Palm Beach Division of Emergency Management and the Anti-Defamation League discuss these issues.

Any questions, contact Zelda Freedman (561) 791-6441 or, email: zmf1@aol.com

Remit payment $35.00 ($40.00) payable to BNC to

**BNC PLANNED GIVING**

Planned gifts provide donors the opportunity to meet both their philanthropic and financial goals. Examples of planned gifts include charitable gift annuities, bequests, deferred annuities, charitable remainder trusts, charitable lead trusts and donor-advised funds. Are you looking for a safe investment? When you establish a gift annuity with Brandeis, you: receive an immediate and significant charitable tax deduction, earn income from the gift at attractive rates for the remainder of your life (and the life of your spouse), have your name permanently engraved on the Brandeis National Committee Tribute Wall on the Brandeis campus, and accomplish your philanthropic goal of supporting Brandeis University, a world-class, non-sectarian university sponsored by the American Jewish community.

**Charitable Gift Annuity:** Guaranteed Payments for Life: **Minimum gift: $10,000**

Your Age and Return — 65: 4.7%, 70: 5.1%, 75: 5.8%, 80: 6.8%, 85: 7.8%, 90+: 9.0%

**CREATING A LASTING LEGACY**

The most common and simplest form of planned giving is a bequest. This is a gift that is made through the donor's will and offers several advantages: Donors do not have to part with this money during their lifetime, Reduces estate tax by removing assets from the estate, Reduces probate costs, Saves professional management fees on the estate. No minimum amount.

**ADDITIONAL PLANNED GIFTS**

Deferred Annuities  
Charitable Remainder Trusts  
Charitable Lead Trusts  
Donor Advised Funds

**NEW CAMPAIGN FOR BNC BRANDEIS**

The BNC is returning to its roots!  
Honoring our History  
“Transforming Unique Collections Highlighting Social Justice”

Based on the BNC’s original fundraising goal, supporting the libraries.

In light of increasing antisemitism, restrictions on immigration, and institutionalized sexism, the unique collections at the Brandeis libraries that speak to such topics are more important than ever.

Providing electronic access to these materials will help to preserve the originals while inviting new forms of digital scholarship and ensuring global and continuous access to our valuable, one-of-a-kind research collections. In a defining era of modernizing library-based learning, this campaign will not only transform the unique Brandeis collections but also contribute to the evolution of the Brandeis libraries into libraries of the future.
