A Very Special Speaker April 14
On Thursday, April 14, at 1 PM, we are privileged to welcome Jean H. Baker, Ph.D., as our guest speaker at the General Meeting. A graduate of Goucher College, she earned her M.A. and Ph.D. at the Johns Hopkins University. Recently retired from Goucher, where she held the Bennett-Harwood Chair in the Department of History, Dr. Baker has concentrated on U.S. History, the 19th Century, and particularly women's history.

Her numerous books range in subject from the early champions of women's rights, to biographies of Margaret Sanger, Mary Todd Lincoln, and President James Buchanan, to significant cultural, political, and social themes of the first two-and-a-half centuries of the American past. One of her Goucher courses made a comparative study of three American minority groups: the Jew, the American Indian, and the African American, with emphasis on the historical development of various strategies used by the dominant society toward minorities. The meeting is free. Everyone is welcome; come and bring a friend!

Closing Meeting and Luncheon Speaker: Prize-winning Author Ellen Brazer

In the past three years Ellen Brazer has spoken to over ten thousand people at more than a hundred venues across the country. The recipient of Hadassah's prestigious Myrtle Wreath Award, her first novel premiered as a bestseller under Jewish Literature on Amazon.

Meticulously researched and controversial in scope and imagination, her third novel, And So It Was Written, travels to a time when a Third Temple is built and the Ark of the Covenant holding the Ten Commandments is found. The year is 132 CE, and the proclaimed Jewish Messiah, Bar Kokhba, has defeated the Roman army and rules Judea. As the Romans prepare to reclaim Israel, the book follows two sets of brothers—one Roman and one Jewish—whose lives, friendships, and hatreds intertwine. For characters you will dream about, And So It Was Written is the ultimate treat. This is historical-novel writing at a very high level. A natural storyteller, she shares when speaking the true stories of the people who inspired her writing.

The Closing Meeting will convene at the Suburban Country Club on June 9 at 11 AM. Mark your calendars; invitations will go out in April. This is definitely a meeting not to be missed!
From the editor...

Hello from Winter’s depths; looking forward to Spring!

As you may have read on page one, we are hosting an eminent scholar for our April 14 General Meeting. Whatever special topics she addresses, the meeting promises intellectual delight.

Also of note is an outstanding fund-raising event: **On Sunday, April 3, from 11 AM to 2 PM**, Rona Greene has arranged for the owner of **Ina’s Jewelry & Accessories** to open her shop at **1421 Clarkview Road, Suite 105, exclusively for BNC members.** Clarkview Road is the small street off Falls Road across from Princeton Sports; the shop is in an office building that will be open for us. We are eager to have as many members take advantage of the event as possible. Her wares are lovely and prices very competitive. The success of any fundraising event depends entirely on member support. We hope to see you and your friends at this event.

I call your attention to the fact that our Book Fund Chairs report very little activity in past months. The new “Six for $5” notecards will be available from Vera and Millie by the time this reaches you, as well as at all meetings.

We also have many opportunities at different levels, from $10 to $35 and more. These make such good ways to celebrate simchas, console the grieving, and convey wishes for friends’ recoveries from illnesses and surgeries; but even more important, they help fund important research and scholarships for Brandeis students. Our Chapter will continue to plump the purse of the “Sustaining the Mind” campaign.

At this time of year, we also point out that anyone who joins in April enjoys three “free” months of membership until June 30 of the following year. I have been delighted to see evidences of energy and interest from our new members. I encourage you all to dive in, sign up for courses, and participate as much as you can. Anita Potemken and Gail Gelber will be meeting soon to develop next year’s slate. See you in class!

—Suzanne Strutt

In Memoriam

It is with deep sorrow that we announce the recent passing of members **Bernice (Bunny) Rosenthal** and **Ramona Berman.** Just last June Mona was honored at the Federation Convention as one who “raised her voice” in support of our Chapter and the University. We miss them; their memory will surely be for a blessing.

Bits and Pieces

**Policy Change**

New members no longer need send dues to Judy Berkowitz, but instead, after notifying Brenda Cohen that you are joining BNC, send your membership dues directly to Brandeis National. The address: Brandeis National Committee, c/o Brandeis University, 415 South Street, Waltham, Massachusetts 02454.

**Good and Welfare**

Congratulations, condolences, recovery wishes, and similar items pertaining to Board Members should be reported to Kay Feldmann, 410-486-1208 or davident@webtv.net, who will send a card from the Board. Individual contributions on behalf of others should be sent to Veronica Kestenberg and Millie Dorf, as before.

Our long-time Financial Secretary **Judy Berkowitz,** after a fall and surgery, is recovering at PowerBack Rehabilitation Center, Unit 311, Brightwood Campus, off Falls Road in Luther-ville. She would love cards and visitors.

**Barbara Fein,** former Membership Co-Chair, is now residing at North Oaks, Apartment 311, after hip surgery. Her phone number: 410-484-3395.

**This Year’s Bonus Trip**

Plans are under way for the traditional June Bonus Trip, free to members taking four or more courses, facilitators, hosts, and instructors. The venue and date will be announced at the April 14 General Meeting. Stay tuned!
From the U to You

**Big news:** Brandeis University has a new president! **Ronald D. Liebowitz** has been named the ninth president of the University. The former president of Middlebury College, Middlebury, Vermont, Liebowitz will begin his leadership role at Brandeis on July 1, 2016.

In welcoming Dr. Liebowitz, Perry M. Traquina ’78, chair of Brandeis’ Board of Trustees, said, “He is a proven visionary and leader who helped a great institution scale even greater heights and deftly managed it through challenging times. Brandeis will benefit so much from his exceptional experience and passion.”

Liebowitz, 58, enjoyed a 31-year career on the Middlebury faculty as a professor of geography, eleven as president. Under his leadership, Middlebury made enormous academic, programmatic, reputational, and financial gains. During his presidency, the college added 120 endowed student scholarships and 16 endowed faculty positions.

The Registrar Reports

As of the September 17 Opening Meeting, with 436 registrants for the Live & Learn courses, we netted $5,730—a substantial increase above last year’s $4,655. We now have 458 participants and $6,422 total. We earmark the money we send to Brandeis for the Sustaining the Mind Campaign, a research effort researching dementia, Alzheimer’s, and other degenerative neurological diseases.

**BNC Spirit** Several more Facilitators who paid for courses they are leading where no payment is necessary, and members who paid for courses but found that they could not attend, requested that their checks go to BNC as a contribution. We heartily applaud such generosity shown by these BNC members who voluntarily opt to donate to Brandeis University!

**New Registration** Please take a fresh look at the Live & Learn booklet for courses that start or are continuing in the Spring. Most will gladly welcome more participants, especially these:

**Participation** To insure attendance, Facilitators should contact each participant in their courses a week before each meeting. For TBA listings in the syllabus: when Facilitators decide on a location, book, or other detail, please notify Yogi Savetman, our webmaster, 410-653-2856.

**Archives** Your Registrar is also your BNC Archivist! I am arranging archival materials in notebooks starting with 2007–08. I will appreciate it if relevant past materials, notes, cards, photos, and mementos be given to me in person, sent to my address, listed above, or arranged for pickup by contacting me by phone or email.

**Upcoming Trips**

With the resounding success of the visit to Dumbarton Oaks and the Woodrow Wilson House, our Trip Organizer Extraordinaire Rena Shenk is eager to arrange a visit to some other outstanding sites. She is researching the next locations, tentatively planned for May 18, and will let us know the details when she has them worked out. Members can direct any suggestions or other input to her e-mail, rjhappygrands@gmail.com. All who enjoyed the first one are sure to sign up for the second.
