Presidents' Message

Does your husband or significant other want to go on a trip with you? We think we have an offer you can't pass up. Figure the math, \$50 for a member and \$60 for a nonmember guest equals \$110. But with the Brandeis pricing, you both can go for \$100.

You may ask how!! Well, if you were both members at \$60 for the first member and \$40 for the second membership in a household, there would be no \$10 non-member charge for events. If both of you went on at least 4 trips in a year the \$40 second membership fee would be absorbed. Think about it.

Did you all notice the date change for the 92nd street Y program, the talk by Robin Wright entitled Making Sense of the Middle East. The new date is Sunday November 8 at 5pm. We will depart Clearbrook at about 1pm leaving time for lunch on your own in New York prior to the talk.

Activities about countries around the world were introduced in our study groups and trips. They include:

- 1. In July, fourteen of our Lunch Bunch group visited a Thai Restaurant and sampled various dishes.**
- 2, A study group in August had two speakers who were involved with bringing new foods to United States markets. To do this they visited many countries around the world, i.e. India, France, Italy, etc. We then had a focus group on the various types of chocolate.**
- 3. At the end of August, we are took a trip to the Ashram Temple in Robbinsville where we were introduced Hindu customs.**
