PRESIDENT'S GREETINGS . . .

Hello Members,

I recently attended the region wide Brandeis University on Wheels meeting. Many distinguished guests including Madalyn Friedberg, BNC National President; Beth Bernstein, Executive Director; Sharon Rosenberg, Director of Alumni Relations and Jacob Abrams, Student Ambassador Director, informed the audience that the University has almost obtained its goal of raising a million dollars for these three areas: Sustaining the Mind, the library and giving need based scholarships to students. I then enjoyed a fascinating presentation on Shakespeare and Time by William Flesch, award-winning Professor of English. He was both humorous and informative.

I expressly want to thank Carolyn Ledewitz for creating a website for our chapter. In mid-February Roberta Weisshaut, Gail Wexler, Carolyn, and I will meet to fill in the dates of events for the rest of the year on this site. Click on the link below for easy reference for all information pertaining to our chapter.

BNC Palm Beach East - Blogs @ Brandeis University

blogs.brandeis.edu

The vision for Brandeis was realized in the aftermath of World War II, when members of the American Jewish community came together to create a place for research.

I look forward to seeing all of you at the many interesting events we have planned for March and our closing luncheon in April. I hope to engage a highly entertaining performer at the luncheon who will not only sing for us, but sing with us. Also, the corporation which employs him will give us information about home health care which can be important to many of our members.

Onward! *Sandy*

FROM THE BULLETIN EDITOR

As we come to the end of another season, I am always looking to make improvements for next season so that bulletins can be produced in a more timely, accurate and cost-effective way for you to review and enjoy. Here's how you can help:

1. Items need to be submitted only by e-mail and no later than the last day of the month for publishing a month later (i.e., November 30 for the January issue). Please review it for accuracy and completeness before sending it in order to minimize the chance for errors.
2. If you are submitting a flyer, please make sure it is in a flyer format. If it isn't, then the print company will have to format it and will charge our chapter extra to do so.
3. Even if you submit a flyer to another board member, please submit one directly to me. Also report to me, by e-mail, before the deadline, if any changes to previously submitted items need to be made. Remember, if I don't have it, I can't print it. Feel free to contact me by the deadline to double check if you wish.
4. Please remember to report any changes in address or phone numbers either in Florida or out-of-state to Bobbie Goldman. If you have an e-mail address or change your e-mail, please make sure she has it as well.
5. If you do not receive a bulletin, please let Bobbie Goldman know. We can e-mail a bulleting to you or send out another one.

Thanks for your assistance and have a great summer.
